

College Art Association Trade Show

Metropolitan is a long time member of the College Art Association. We will be exhibiting at their annual book and trade fair. We have been exhibiting at the fair for many years because we have many fine art instructors and students for customers. It is a good way to introduce new products as well as learn about what are customer's needs are. It is always fun to talk to students about how to frame fine art. We can provide low priced options and framing advice to make sure they learn the professional way of framing and mounting an exhibition. Coming soon to our site will be youtube videos that will give detailed advice on all the different aspects of framing. If your going to the show please stop by and say hello.
